

LILLE
LA FILATURE DE
SAINT-QUENTIN

PREMISES IN THE HEART OF LILLE IN A FAST-GROWING DISTRICT with quick access to the city centre

La Filature de Saint-Quentin is located in the heart of the city of Lille, at the intersection of two main roads: Rue de Douai and Boulevard de Belfort (the ring road). It provides easy access to the city centre and most of the city's districts. The port of Lille, the third largest river port in France, is nearby.

VERY CLOSE TO MAJOR ROADS AND THE CITY CENTRE

- 2,5 km from Euralille
- 2,6 km from the city centre, Grand-Place
- 3,5 km from the Port of Lille
- 1 km from the A25 motorway via Porte d'Arras
- 1,7 km from the peripheral boulevard
- 2,6 km from the urban expressway
- 5,8 km from the A1 motorway

LA FILATURE DE SAINT QUENTIN: A PROJECT BY CORSA LIS Logistics Real Estate

CORSALIS is a real estate company dedicated to logistics and urban distribution.

The company places at the centre of its concerns the objective of meeting the needs of final consumers and the design of premises with low environmental and social impact on the urban fabric. These principles ensure the sustainability of assets and maximize their long-term value. CORSALIS adopts a 360° view of the assets to be restructured or development projects located in the city centre or in close proximity.
